

Kent County Master Gardener Workshops

Due to the COVID-19 outbreak, no workshops can be offered in-person for now. Workshops will be offered online. Once you register, you will receive a link to participate by email. We apologize for any inconvenience; however, safety is our primary goal. The registration deadline for all workshops is 24 hours prior to the workshop.

WINTER 2022 WORKSHOPS

BACKYARD SWEET POTATOES

Wednesday, February 9, 2022, 1 - 2 PM EST

Online only via ZOOM

Debbie Nicol, Kent County Master Gardener

Have you ever thought of growing your own sweet potatoes at home? Sweet potatoes are very easy to grow in small spaces—in the home garden, raised beds or even containers! You will learn the full process—from propagation to planting to harvesting, storing, and cooking—and receive recipes to enjoy the results of your labor.

SPRING GARDEN STARTUP

Monday, March 7, 2022, 11 AM - 12 PM EST

Online only via ZOOM

Debbie Nicol, Kent County Master Gardener

Are you ready for Spring? It's just around the corner, so now is the time to plan and prepare your vegetable gardens, lawn, flower beds and more. We'll walk you through our handy checklist so you'll know exactly what you need to do when, along with timely tips and suggestions for a successful 2022 gardening season.

PAWPAWS IN DELAWARE

Wednesday, March 23, 2022, 10 - 11 AM EST

Online only via ZOOM

Angela Collison, Kent County Master Gardener

An Introduction to Pawpaws: A beginner's guide to growing North America's largest edible fruit. In this workshop, you will get information on cultivar differences, proper site selection, care and maintenance, and pest management, as well as fruit processing and best uses.

All of these workshops are free, but registration is required to receive the ZOOM Link.
