

INSTRUCTIONS FOR PINATA:

WE MAKE PINATAS FOR SALE TO BENEFIT OUR ANIMAL FRIENDS! THE EASIEST THING TO USE AS A BASE IS A BALLOON!

USE STRIPS OF NEWSPAPER DIPPED IN THE 3/4 GLUE (1 part flour to 5 parts water... boil about 3 minutes and let cool) AND PUT ON THE BALLOON ALL OVER!

COVER AT LEAST TWO LAYERS THICK.(I USUALLY DO THIS PART) LET DRY OVER NIGHT!

THEN THE KIDS DECORATE IT LIKE FISH OR SPIDERS OR ANYTHING THAT THEY CAN COME UP WITH.

WE USUALLY USE CONSTRUCTION PAPER & GLUE!

DON'T FORGET TO POP THE BALLOON AFTER IT IS COMPLETELY DRY!
